for Allstate Farm Insurance

Product Disclosure Statement (PDS)	Allstate Farm Insurance Product Disclosure Statement PDSV1.2
Effective Date	5 October 2021
Product Issuer:	HDI Global Specialty SE – Australia, ABN 58 129 395 544, AFS Licence No 458776 (HDI Global Specialty).

About this document

This Target Market Determination (TMD) applies to the Home Building and Contents Cover and the Motor Vehicle Cover described in the Farm Insurance Allstate Farm Insurance Product Disclosure Statement PDSV1.2 and any Supplementary Product Disclosure Statement (together **the PDS**) that has been issued by HDI Global Specialty (**the Issuer**) through Allstate Underwriting Agencies Pty Ltd ABN 51 121 066 180, AFS 00306153 (**Allstate**), who acts under a binding authority as agent of the insurer of this product. It applies to these covers as they are deemed Retail Insurance under the Corporations Act 2001. Other covers may also be available, but as they not covered by the Product Design and Distribution Obligations, they do not form part of this TMD.

What is a Target Market Determination?

This TMD provides our distributors and customers information regarding:

- which class of customers this product has been designed for, and which class of customers this product is likely to be unsuitable for;
- any distribution conditions for this product;
- reporting obligations and restrictions on distribution of our distributors; and
- the review period and events that may trigger a review.

This TMD is not intended to provide financial advice, and does not consider a customer's personal needs objectives and financial situation, nor does it form a part of the terms of cover. In addition to the key eligibility requirements outlined in this document, the product is also subject to acceptance criteria.

Terms used in this TMD that are defined for the purpose of Chapter 7 of the Corporations Act, have the same meaning as under the Act.

A customer must always refer to the PDS which outlines the relevant terms, conditions, exclusions and insurance cover being provided under the product, when making a decision about this product.

1. Class of customers that fall within this target market

The Farm Insurance package is designed to offer choices of cover for a class of customers whose likely needs, objectives and financial situation outlined below, are aligned with the product and its key attributes and eligibility criteria.

1.1 Product description and key attributes

The Farm Insurance package can be tailored to suit the individual customer. A customer can choose a minimum of any 2 covers from the broader list of coverages (including sections of cover which are wholesale covers and which do not form part of this TMD) depending on their needs. The retail sections covered by this TMD are as follows: Home Buildings and Contents Cover and Motor Vehicle Cover.

1.3 Consistency with the target market

Each of these covers, including their key attributes, are likely to be consistent with the likely objectives, financial situation and needs of the respective classes of customers in their Target Markets because:

- they provide cover for the type of loss or damage that customers in the Target Markets are seeking to insure against; and
- the Target Markets for the covers includes those customers who are eligible for the cover.

(Individual customers will need to consider whether these covers meet their specific objectives, financial situation and needs).

2. What distribution conditions apply to this product?

The product application process has been designed to guide customers directly to the product most likely to meet their needs and objectives based on their responses to the questions in our product application.

Allstate’s staff have been adequately trained in the product, the customer(s) it is intended for and the underwriting criteria applicable to the product.

<p>Distribution Restrictions</p>	<p>This product can only be distributed if the following conditions are met:</p> <ul style="list-style-type: none"> ▪ It can only be sold via an insurance broker and cannot be sold directly to the public. ▪ The insurance product distributor must; <ul style="list-style-type: none"> – be authorised by Allstate to distribute the product and those arrangements must not have been cancelled or suspended; – hold all necessary licensing and accreditation; – agree to comply with all underwriting criteria and levels of authority (as applicable); – agree to not distribute the product where they receive notice from Us that this TMD is not up to date and no new TMD has been provided; and – where a new TMD has been provided, agree to distribute in accordance with the new TMD. ▪ The TMD is currently not subject to any ASIC action that might suggest that the TMD is no longer appropriate. ▪ Where an insurance broker provides personal advice in relation to the product it is that broker’s responsibility to ensure that the financial product advice provided is in the best interests of the customer having regard to the customer’s objective, financial situation and needs.
<p>Distribution Conditions</p>	<ul style="list-style-type: none"> – This product can only be sold via an offer of cover and acceptance of cover. – This product can be sold to customers within the target market without the customer being provided with any financial product advice or, general or personal advice.

Distribution Method	- This product can only be distributed by an insurance broker through either face to face or telephone contact using the Allstate online platform or manual quoting under the agreement between the broker and Allstate.
----------------------------	--

These distribution conditions make it likely that customers who are issued the product are in the Target Market, as we consider that the distribution conditions are appropriate and will enable us and our distributors to direct the product to the class of customers who fall within the target market set out above. This has been determined based on an assessment of the distribution conditions and the target market.

3. Information required from Distributors and Reporting Periods

Distributors of this product are required to provide HDI Global Specialty with information in relation to the product covered by this TMD in the circumstances as set out in the table below

Information	Persons required to report	Reporting period
Complaints including: <ul style="list-style-type: none"> - Number received during the Complaints Reporting Period - Summary of nature of each complaint and steps taken to address Distributors should include sufficient details about the complaint that would allow HDI Global Specialty SE – Australia to identify whether the TMD may no longer be appropriate to the class of customers.	Allstate and other distributors via Allstate	Monthly and no later than 10 business days after the agreed complaints reporting date (<i>Complaints Reporting Period</i>). Notification of the complaint within 2 business days after receipt.
Dealings of the product outside the TMD	Allstate and other distributors via Allstate	As soon as practicable but within 10 Business Days of occurring
Feedback, regulatory orders or directions received from a regulator or AFCA regarding the product	Allstate and other distributors via Allstate	Same day

SIGNIFICANT DEALINGS

If an actual or possible significant dealing outside of the target market is identified, HDI Global Specialty requires information such as the date (or date range) the dealing occurred, details about the dealing(s) and any steps or actions taken to mitigate.

Distributors should have regard to current ASIC guidelines when determining what may constitute a significant dealing.

Allstate and other distributors via Allstate will notify HDI Global Specialty of any significant dealing that is not consistent with the TMD as soon as practicable (within 10 business days). This includes but is not limited to a consideration of the nature and degree of harm resulting from the issue of this Product to a retail customer.

4. When will we Review the Target Market Determination

We will review this TMD in accordance with the below:

First Review	Within 12 months of the TMD's effective date.
Ongoing Reviews	At least every 24 months following the first review period.
Review Triggers	<p>We will also review the TMD on the occurrence of any event or circumstance that would suggest that the TMD is no longer appropriate. These may include, but are not limited to:</p> <ul style="list-style-type: none"> an event or circumstance that would materially impact on or change a factor taken into account when making the TMD that would suggest to Us that the TMD is no longer appropriate, such as a change in underwriting requirements; the product has materially been distributed and purchased in a way that is significantly inconsistent with this TMD; a material change to the product including Product Disclosure Statement, Policy Wording information or assumptions upon which the TMD was formulated like the Application Process, pricing requirements, underwriting guidelines; feedback, such as significant or systemic complaints or claims issues, received from insurance brokers, distributors or customers who purchased the product, which are of a nature that suggest to us that the TMD is no longer appropriate; change of relevant law, regulatory guidance, industry code or feedback from regulators such as ASIC, APRA or other interested parties which has a material effect on the terms or distribution of the product.
